PROFESSIONAL SUMMARY

Statistician, Data Analyst Specialist, and MEAL professional with 2+ years driving programme oversight, programme quality assurance, and data analysis for humanitarian and government programmes across Turkana and Nairobi Counties. Directly responsible for project monitoring, field audits, data quality assurance, SOP compliance, and reporting across a 650+ school programme. Skilled in designing monitoring plans, indicator tracking tools, and data collection schedules; conducting field visits, spot-checks, and back-checks; and running first-level data quality reviews to resolve missing or inconsistent data. Deploys and supports mobile data collection tools (KoboToolbox, ODK, SurveyCTO), cutting reporting lag by 40% through real-time survey deployment, and validates 100,000+ records monthly using SQL, Excel, and Salesforce. Build interactive dashboards (Power BI, R Shiny, Salesforce) to track KPIs and produce donor/programme reports, documenting lessons learned and beneficiary feedback to strengthen accountability. Coordinates with partners, stakeholders, enumerators, and consultants in multicultural, donor-funded settings, with safeguarding and data protection embedded throughout.

PROFESSIONAL SKILLS

Core Competencies

- ☑ **Monitoring, Spot-Checks and Back-Checks:** Developed monitoring plans and indicators, Field audits, QA reviews, PDM and satisfaction surveys.
- ☑ **Reporting, Documentation & Learning:** Compile activity reports, field monitoring notes, and data summaries; documented lessons learned and beneficiary feedback; consolidated information for donor reports.
- ☑ **Partner & Team Coordination:** Partner follow-up, field team training, monitoring visits logistics coordination.
- ☑ **Compliance, Accountability and Safeguarding:** Ethical data practices, safeguarding, beneficiary feedback, escalation.
- ☑ **Adaptability and Continuous Learning:** Fast adoption of new tools and systems.

Technical Skills

- ☑ **Survey Design and Data Collection:** Proficient in using digital surveys tools (KoBo, ODK, SurveyCTO, Google Forms); sampling protocols.
- ☑ **Business Intelligence & Visualization:** Power BI, Tableau, R Shiny dashboards; Salesforce integration.
- ☑ **Data Management, Quality and Analysis:** Data cleaning, validation, QA checks, trend analysis.
- ☑ **MEAL Systems Design & Data Management:** Results frameworks, logframes and QA protocols.
- ☑ **Research and Proposal Writing:** Designs research tools; drafts proposals, concept notes, and technical narratives.
- ☑ **Tools:** KoboToolbox, ODK, SurveyCTO, Google Forms, Microsoft Suites, Power BI, R Shiny, Tableau, Salesforce, SQL, R, Python, SPSS.

PROFESSIONAL STRENGTHS

Analytical Thinking & Problem-Solving

Diagnoses data issues; identifies practical, evidence-based solutions.

Effective Communication

Clear, appropriate audience reporting and stakeholder engagement.

Attention to Detail

Rigorous quality assurance and accuracy in data collection, cleaning, and reporting processes.

Team Collaboration

Works effectively across programme and partner teams.

WORK EXPERIENCE

Programme Quality Assurance Officer (MEAL) – *Mary's Meals International (Turkana)*

June 2024 – Nov 2025

Key Responsibilities:

- ☑ Led field QA operations across 650+ schools, conducting weekly monitoring assessments and audit visits and monthly desktop reviews that ensured 100% SOP compliance and strengthened programme efficiency.
- ☑ Trained and supervised programme staff and interns, delivering structured training sessions to 50+ staff on QA protocols, field data recording standards, and issue-resolution workflows.
- ☑ Programmed and deployed mobile survey/CAPI tools (ODK, Kobo, SurveyCTO) for real-time field data collection, reducing reporting lag by 40%.
- ☑ Conducted monthly database reviews and validated data (100,000+ records) using SQL, Excel, and Salesforce, safeguarding sensitive information through routine field data quality reviews.
- ☑ Built and scaled dashboards in Power BI, R Shiny, and Salesforce, monitoring KPIs across 650+ schools to ensure field service levels and operational goals were consistently met.
- ☑ Produced quarterly donor reports and evidence-based recommendations from field findings that influenced programme strategies and secured continued funding.
- ☑ Supported design and implementation of monitoring and evaluation systems, including results frameworks, logical frameworks, indicators, and QA protocols for field operations.
- ☑ Expanded technical expertise in Python, LaTeX, and Microsoft Dynamics 365, while strengthening field leadership skills to meet evolving organizational needs

Programme Quality Assurance Intern (MEAL) – *Mary's Meals International (Turkana)*

Nov 2023 – May 2024

Key Responsibilities:

- ☑ Carried out weekly field audits (2 per week) and monthly desktop reviews, improving field data quality and achieving 100% SOP compliance across programme operations.
- ☑ Developed and deployed monitoring tools in SurveyCTO, streamlining field data collection workflows and improving the timeliness of programme data submissions by 20%.
- ☑ Supported QA strategy through monthly database reviews, directly enhancing data integrity and strengthening field programme accountability.
- ☑ Collaborated with cross-functional teams on a monthly basis to troubleshoot field delivery inefficiencies, leveraging Salesforce and Outlook to streamline workflows and reduce delays.
- ☑ Consistently delivered field tasks with reliability and precision while expanding technical expertise in Python, R, SPSS, Google Docs, and Google Sheets, alongside strengthening interpersonal and collaboration skills.

Corporate Planning and Strategy Intern – *NG-CDF Board (Nairobi)*

Sept 2021 – Jan 2022

Key Responsibilities:

- ☑ Evaluated development projects in 10 constituencies using SPSS and Google Sheets, ensuring timely field execution.
- ☑ Reviewed and analyzed departmental performance contracts using Excel and Power BI to assess KPIs.
- ☑ Demonstrated attention to detail and reliability in supporting strategic planning tasks.
- ☑ Delivered additional tasks with reliability and attention to detail while continuously learning new technical skills in R, SPSS, LaTeX, and Tableau, and soft skills in collaboration and teamwork.

PROFESSIONAL CERTIFICATION AND TRAININGS

1. **Data Analytics Training** – *Sigma Digital Technical Institute/ICT Authority, Kenya* *July 2026*
